Authority

Pursuant to the authority of Section 119 of the Department of Justice Appropriations Act of 2001 (Public Law 106-553), this Agreement is entered into between the United States Marshals Service (hereinafter referred to as the "Federal Government") and **Cambria County**, State or County Government (hereinafter referred to as "Local Government"), who hereby agree as follows:

Purpose of Agreement and Security Provided

The Federal Government and the Local Government establish this Agreement that allows the United States Marshals Service (USMS) or other authorized agency user as noted in block #18 on page (1) to house Federal detainees with the Local Government at the **Cambria County Prison, 425 Manor Drive, Ebensburg, Pennsylvania 15931** (hereinafter referred to as "the Facility") designated in #6 page 1.

The population(hereinafter referred to as "Federal detainees," will include individuals charged with Federal offenses and detained while awaiting trial, individuals who have been sentenced and are awaiting designation and transport to a Bureau of Prisons (BOP) facility, and individuals who are awaiting a hearing on their immigration status or deportation.

The Local Government shall accept and provide for the secure custody, safekeeping, housing, subsistence and care of Federal detainees in accordance with all state and local laws, standards, regulations, policies and court orders applicable to the operation of the Facility. Detainees shall also be housed in a manner that is consistent with Federal law and the Core Detention Standards and/or any other standards required by an authorized agency whose detainees are housed by the Local Government pursuant to this Agreement.

The USMS ensures the secure custody, care, and safekeeping of USMS detainees. Accordingly, all housing or work assignments, and recreation or other activities for USMS detainees are permitted only within secure areas of the building or within the secure external recreational/exercise areas.

At all times, the Federal Government shall have access to the Facility and to the Federal detainees housed there, and to all records pertaining to this Agreement, including financial records, for a period going back three (3) years from the date of request by the Federal Government.

Period of Performance and Termination

This Agreement is effective upon the date of signature of the authorized USMS Prisoner Operations Division official, and remains in effect unless inactivated in writing by either party. Either party may terminate this Agreement for any reason with written notice at

least thirty (30) calendar days in advance of termination, unless an emergency situation requires the immediate relocation of Federal detainees.

Where the Local Government has received a Cooperative Agreement Program (CAP) award, the termination provisions of the CAP prevail.

Assignment and Outsourcing of Jail Operations

The overall management and operation of the Facility housing Federal detainees may not be contracted out without the prior express written consent of the Federal Government.

Medical Services

The Local Government shall provide Federal detainees with the same level and range of care **inside** the Facility as that provided to state and local detainees. The Local Government is financially responsible for all medical care provided **inside** the Facility to Federal detainees. This includes the cost of all medical, dental, and mental health care as well as the cost of medical supplies, over-the-counter medications and, any prescription medications routinely stocked by the Facility which are provided to Federal detainees. When possible, generic medications should be prescribed. The cost of all of the above-referenced medical care is covered by the Federal per diem rate. However, for specialized medical services not routinely provided within the Facility, such as dialysis, the Federal Government will pay for the cost of that service.

The Federal Government is financially responsible for all medical care provided **outside** the Facility to Federal detainees. The Federal Government must be billed directly by outside medical care providers pursuant to arrangements made by the Local Government for outside medical care. The Local Government should utilize outside medical care providers that are covered by the USMS's National Managed Care Contract (NMCC) to reduce the costs and administrative workload associated with these medical services. The Local Government can obtain information about NMCC covered providers from the local USMS District Office. The Federal Government will be billed directly by the medical care provider **not** the Local Government. To ensure that Medicare rates are properly applied, medical claims for Federal detainees must be on Centers for Medicare and Medicaid (CMS) Forms so that they can be re-priced to Medicare rates in accordance with the provisions of Title 18 U.S.C. Section 4006. If the Local Government receives any bills for medical care provided to Federal detainees outside the Facility, the Local Government should immediately forward those bills to the Federal Government for processing.

All **outside** medical care provided to Federal detainees must be pre-approved by the Federal Government except in a medical emergency. In the event of an emergency, the Local Government shall proceed immediately with necessary medical treatment. In such

an event, the Local Government shall notify the Federal Government immediately regarding the nature of the Federal detainee's illness or injury as well as the types of treatment provided.

Medical care for Federal detainees shall be provided by the Local Government in accordance with the provisions of USMS, Publication 100-Prisoner Health Care Standards (www.usmarshals.gov/prisoner/standards.htm) and in compliance with the Core Detention Standards or those standards which may be required by any other authorized agency user. The Local Government is responsible for all associated medical record keeping.

The Facility shall have in place an adequate infectious disease control program which includes testing of all Federal detainees for Tuberculosis (TB) within 14 days of intake.

TB testing shall be accomplished in accordance with the latest Centers for Disease Control (CDC) Guidelines and the result promptly documented in the Federal detainee's medical record. Special requests for expedited TB testing and clearance (to include time sensitive moves) will be accomplished through advance coordination by the Federal Government and Local Government.

The Local Government shall immediately notify the Federal Government of any cases of suspected or active TB or any other highly communicable diseases such as Severe Acute Respiratory Syndrome (SARS), Avian Flu, Methicillin-Resistant Staphylococcus Aureus (MRSA), Chicken Pox, etc., which might affect scheduled transports or productions so that protective measures can be taken by the Federal Government.

When a Federal detainee is being transferred and/or released from the Facility, they will be provided with seven (7) days of prescription medication which will be dispensed from the Facility. Medical records and the USM-553 must travel with the Federal detainee. If the records are maintained at a medical contractor's facility, it is the Local Government's responsibility to obtain them before a Federal detainee is moved.

Federal detainees may be charged a medical co-payment by the Local Government in accordance with the provisions of Title 18, USC Section 4013(d). The Federal Government is not responsible for medical co-payments and cannot be billed for these costs even for indigent Federal detainees.

To whom it may concern,

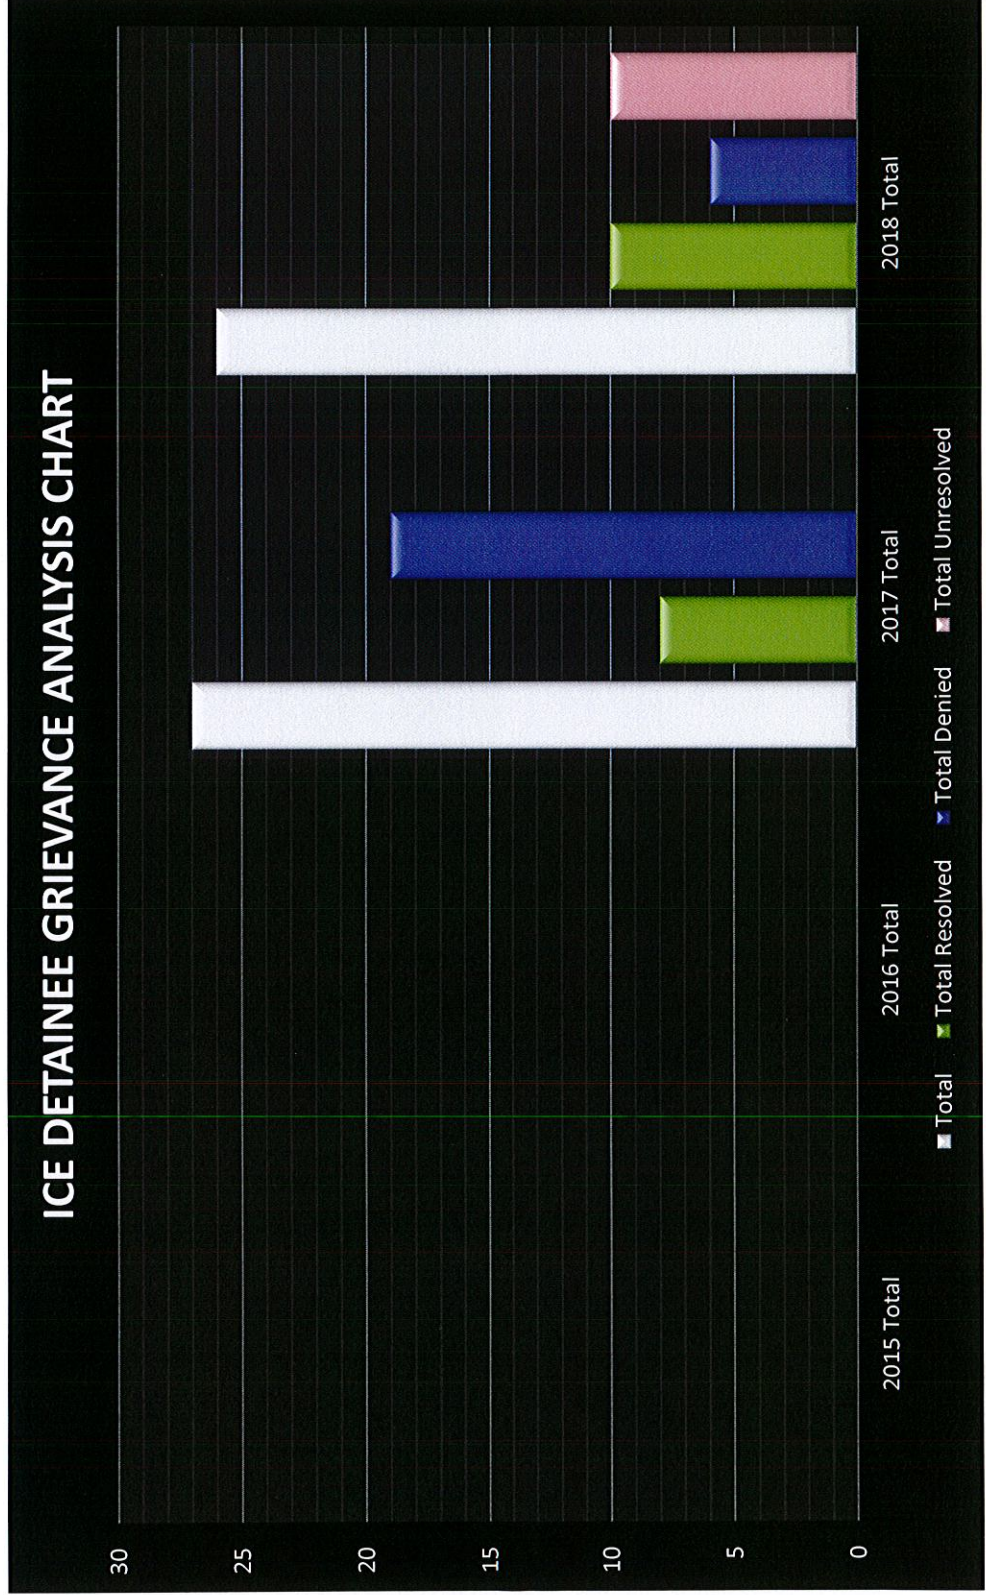

Attached is a complete analysis of grievances filed by ICE detainees from the year of 2015 up until September 2018. Grievances from October 2018 are still being completed; therefore I have not provided a record on that month. If you would like further information, please email me at kwolford@co.cambria.pa.us or call me at (814) 472-7330 and I will provide as much information as I can. I have not provided copies of each grievance, as some of the grievances concern medical information however I have provided a brief description of what each grievance was about, the resolution of each grievance, and a brief description of how the grievance was resolved. I hope this helps.

THIS AGREEMENT, is made this 1st day of February, 2003 by and between **INMATE TELEPHONE, INC.** located at 1101 13th Avenue Altoona, PA 16601 (hereinafter "ITI") and Cambria County, on behalf of the Cambria County Prison located at 425 Manor Drive Ebensburg, PA 15931 (hereinafter "Facility") for the purpose of establishing an inmate phone vending arrangement to include non-coin operated telephones (hereinafter "NCOTS") for use by inmates at the Facility.

WHEREAS, Customer is currently under a contract with Verizon regarding the operation and maintenance of a telephone system and or services for use by inmates at the Facility which is due to be renewed or expire on February 3rd, 2003 (hereinafter referred to as the "Verizon" Expiration Date); and

WHEREAS, Customer desires to terminate said contract(s) upon it's (their) expiration and or renewal date(s), and thereupon utilize the inmate telephone service(s) provided by ITI.

NOW, THEREFORE, in consideration of the mutual promises and obligations contained herein, and intending to be legally bound hereby, the parties agree as follows:

1. Customer shall affirmatively take all steps necessary in order to terminate and prevent the renewal of its current phone contract(s) with Verizon, and thereby utilize the Inmate Telephone services provided by Inmate Telephone Inc.

5. ITI agrees:

- (d) To provide ITI with all activities with regard to management and operation of the NCOTS located at the Facility.
- (e) To provide adequate power necessary to run the NCOTS and Equipment.
- (f) To not allow any other NCOT or pay telephone system to be accessible to the inmates.

Call detail records must be provided for all calls placed on or through the Inmate Telephone System. Vendor agrees that the commission payable to the County is based on the total gross billings as defined above with absolutely no deductions or credits given to Vendor. The commission quoted by the Vendor must be calculated accordingly. The County may immediately cancel the Contract, if Vendor fails to pay the commission as agreed herein.

19. **Commission Checks.** Commission checks shall be submitted to the Cambria County Prison and shall be made payable to "Cambria County" on a monthly basis and shall be accompanied by a report, which itemizes, by minutes of usage, number of calls, gross billings, and commission for each telephone. They said the agreement should bring in about \$200,000 per year to house federal and immigrant inmates.</p> <p>Warden Smith said the prison has held these types of inmates since the current facility opened on Manor Dvie in 1997.</p> <p>The last time the contract was negotiated, Smith said, Cambria County received about \$50 per day, per inmate and \$33 per hour for transportation. This time, he was able to renegotiate a five-year pact that will charge the Marshals Service \$70 per day, per inmate and yield \$34 per hour for transportation.</p>

		<p>...Smith said the prison will see an additional 30 inmates per day—about 22 to 23 with the Marshals Service and seven or eight with Immigration and Customs Enforcement. These prisoners are also placed in the general population, he added.</p> <p>Juvenile housing (\$35,000 in 2016 alone)</p> <p>“Whatever we can do, we’re looking at it,” he said. “We’re doing our part to cut costs and generate revenue.”</p>

He has spent more than seven weeks away from his family and it’s unclear when, and if, he’ll ever make it home.</p>

3/7/17	wearecentralpa.com (WTAJ – CBS affiliate in Altoona) Lindsey Kennett lkennet@wtajtv.com	<p>Cambria County Prison housing illegal immigrants</p> <p>The warden of the Cambria County Prison said he reached out to Immigration and Customs Enforcement (ICE) to let them know the Cambria County Prison is willing to accept more illegal immigrants because it will help bring in more revenue to the county.</p>

		<p>“With the new presidential administration in place, we expected an increase in ICE arrests, immigration arrests. We reached out to our immigration officials and told them that we would be willing to take on more detainees if they were able to provide them,” said Christian Smith, the warden at Cambria County Prison.</p> <p>The prison receives \$70 a day for each illegal immigrant. Housing 50 illegal immigrants a day for a year would make the prison \$1.27 million annually. However, the warden said there could potentially be even more prisoners.</p> <p>“We’re currently at 71 today. That number could be larger. I’m expecting a constant flow between 50 to 60, possibly higher, because immigration is looking for beds on a regular basis,” Smith said.</p> <p>Temporary housing was set up in the prison’s gymnasium....Warden Smith said he saw this as an opportunity to help bring in revenue to cut the prison’s \$9.5 million budget.</p> <p>“it definitely makes an impact on the budget. We’re one of the largest, if not the largest, departmental budgets in the county. So any increase in revenue to offset that is a definite benefit to the taxpayer,” Smith said.</p> <p>The warden said he doesn’t plan to hire more workers because they have enough staff to handle the increase in prisoners.</p>

1. Questions asked of individuals entering or in Cambria County Prison on criminal charges about their immigration status, national origin, or country of birth. See attached questionnaire.....all commitment questions are entered electronically into a database. There is no way to print the actual questionnaire from the database. This is a hand-typed version of the questions that we use in the event of a power outage and computers are down.
2. Sharing of information with ICE about individuals in Cambria County Prison on criminal charges (e.g., names, date of birth, immigration status, country of birth). There are no records of this as we do not share information with ICE about county inmates.
