Ms. Solena Laigle,

I'm Sergeant Dennis Pennese, Bendersville Police Department, I received an email from Andrea Rivera about a right to know request. I'm not sure about the request you are referring to. I'm requesting an extension and if possible the person name who made the request and what this is about?

Sergeant Pennese,

Thank you for following up - I actually sent the original RTK request to Ms. Rivera on 10/1. I followed up with her on 10/11 after receiving no response, which is when she must have reached out to you. I have attached here the original request documents - please let me know if you have any questions. I will be happy to consider this email the original request date under the RTK law if that helps, since you were not aware of the request when I initially sent it.

Thank you,

Sergeant Pennese,

Are you able to view the attachments in the email I sent? There should be two documents. One is the standardized Right to Know form, which we completed. The other is the request itself, which outlines exactly what we are asking for.

Let me know if you have any trouble viewing the request documents.

Thank you,

Solena Laigle
