Dear Ms. Chin- Arroyo,

I am writing in response to your request dated October 2, 2018. Your request is granted insomuch as the Dauphin County Prison has the information on file. The Dauphin County Prison has made a good faith effort under the penalty of perjury, to collect the records and answer the questions raised to the best of its ability. The enclosed and attached information is believed to be responsive.

Regarding your request for "Any record, reports, policies, agreements, correspondence, forms, or documents from 2015 to present reflecting:"

1. Questions asked of individuals entering or in Dauphin County Prison about their immigration status, national origin, or country of birth.

Dauphin County Prison Officers ask place of birth while they are being fingerprinted for processing.

2. Sharing of information with ICE about individuals in Dauphin County Prison (e.g., names, date of birth, immigration status, national origin, country of birth).

Any/all information that is gathered during the intake process is shared with ICE. ICE is able to obtain any/all information entered at the time of processing.

3. Sharing of access with ICE to incident reports, booking records, or databases with information about individuals in Dauphin County Prison.

Dauphin County Prison only contacts ICE when officers receive a hit from fingerprinting the individual. Then the prison will only exchange information about the arrest, so ICE can decide if they are issuing a detainer:

4. Presence of ICE officials in Dauphin County Prison (including formal or informal agreements to interview individuals in the prison's custody).

16 times released to ICE (below are the names and dates)0

5. Number or times ICE officials visit Dauphin County Prison to talk to individuals in custody at the prison.

Your question is difficult to answer unless you specifically request a record. Otherwise, we are unable to simply answer.

6. Transferring individuals from the custody of Dauphin County Prison to ICE custody.

Please refer to Attachment #2 is the Dauphin County Prison Policy for the ICE priority Enforcement Program. Attachment #3 would be a memorandum for the request for detention from Immigration and Customs Enforcement dated May 1, 2014.

Thank you again for your interest in Dauphin County and if you have any questions please feel free to contact me at the above address or by phone 717-780-6307.

DAUPHIN COUNTY PRISON

Local Policy Chapter 6.5

Subject:	ICE/DHS Priority Enforcement Program
Reference:	DHS Form I-247N, DHS Form I-247D

POLICY:

It shall be the policy of Dauphin County Prison to participate in the Department of Homeland Security's (DHS) Priority Enforcement Program (PEP).

PENOLOGICAL INTEREST:

It is in the penological interest of Dauphin County Prison to support the initiatives of U.S. Immigration and Customs Enforcement (ICE), Department of Homeland Security (DHS), via the Priority Enforcement Program (PEP), by notifying and attempting to transfer custody to ICE of qualified individuals who may pose a danger to public safety before those individuals are released into the community.

PROCEDURE:

It shall be the practice of Dauphin County Prison (DCP) to accept either **DHS Form I-247N (Request for Voluntary Notification of Release of Suspected Priority Alien)** or **DHS Form I-247D (Immigration Detainer—Request for Voluntary Action)** when provided by or sent to the facility from an ICE agent. This acceptance shall be to only notify and hold an inmate until such time as an ICE Officer can arrive at DCP and accept custody of the released individual.

A copy of the DHS Form shall be scanned, upon receipt, by Records into the electronic Bail Documents folder, titled with the inmate/detainee's DCP# and "ICE" after that number.

It shall further be the practice of DCP to provide notice to ICE before the subject's pending release from DCP. This notice will allow DHS an opportunity to determine whether there is probable cause to conclude that the inmate is a removable alien. This notice shall be provided and documented by Records (or the Shift Commander if the Records Office is unstaffed at the time paperwork for imminent release is received).

Note: ICE shall be given pre-notification notice at least (2) hours prior to the scheduled release of the inmate/detainee. This agreement to notify ICE shall not affect the subject's scheduled date/time of release from the facility. At the two (2) hour mark, the Warden, or Deputy Warden, shall be notified to make the final determination of releasing the inmate. DCP continues its existing practice of not providing 48-hour custody holds under Immigration Detainers.

Below are the contacts for notifying ICE. Attempt to contact should be pursued in the order listed:

Primary Contact:	Officer Ricky Marrone	Office: (717) 840-7786 Cell: (330) 795-6035
Back-up Contact: If unable to reach Primary Contact	Supervisor Joshua Reid	Office: (717) 840-7619 Cell: (267) 236-2944
Secondary Back-up: If unable to reach above Contacts	ICE Duty Officer in York	(267) 236-2635 or (215) 651-9854

If there is any delay after ICE has determined that they want to accept custody, the Warden or Deputy Warden shall immediately be notified.

Presented by:

Dominick DeRose, Warden

Date: 27 January 2016

Approved by:

Jeffrey Haste, Prison Board Chair

RESTRICTED CORRECTIONAL DATA

This data is proprietary and shall not be duplicated, disclosed, or discussed, without the written permission of this agency. Data subject to this restriction is contained throughout this publication.

DAUPHIN COUNTY PRISON

TO: All Shift Commanders and Records Officers
FROM: Leonard K. Carroll, Deputy Warden / Security *L. Carroll / R. O'Hare*
SUBJECT: Request for Detention from Immigration & Customs Enforcement
DATE: May 1, 2014

Effective immediately, Dauphin County Prison will no longer accept the request for Detainer from the Department of Homeland Security - Immigration & Customs Enforcement. This paperwork is to be returned to the committing authority when the individual is brought to Dauphin County Prison on a direct commitment.

When picking up inmates from the Judicial Center that have "ICE" detainers, that paperwork is to be brought to DCP and given to the Records office. Records will contact "ICE" and inform them that we are **NOT** accepting the paperwork as a detainer.

Any questions and/or concerns are to be directed to this office.
