NOTES ABOUT TAKE HOMES:

1. You can download the exam questions at any time after the questions are available.
2. Once you download an exam, you must complete it and upload it within the stated number of hours OR by the end of the exam period at 10PM on 5/15/23 OR by any deadline set by your professor -- **whichever comes first.** For example, if you choose to download a 24-hour exam at 11PM on 5/14/23, you must upload your answers by 10PM on 5/15/23 (even though you only gave yourself 23 hours to take the exam.) Please be sure you are downloading the exam in time so that you do not forfeit part of the time you have to complete the exam. Any exam uploaded after the allotted time limit, but before 10PM on May 15, 2023 may be deemed late and your grade may be reduced. Any exam turned in after 10PM on May 15, 2023 may be deemed an FA (failure to take the exam).
