

"My online course was excellent and of high quality—on par with top traditional classes at my law school."

"The pace was perfect, the lectures kept me interested, and the depth was appropriate."

HOW IT WORKS:

- Access the courses anywhere you have internet
- Lectures and assignments are assigned weekly and can be completed on a schedule that works for you
- Online format allows you to take courses while having flexibility to pursue work opportunities
- Utilize live, online office hours with your professor
- Collaborate with your professor and classmates on class assignments
- Take your final exam online; grading follows your school's policy
- Comprehensive orientation ensures your comfort with the technology
- Email and phone support

Summer Online Courses

—Quality content. Flexible format.—

ASYNCHRONOUS COURSES—3 credits
